Friday 10th May 2019

Dear Parents and carers,

During the first week of March, we (members of the School Student Council) conducted a survey outside the school gates. The focus was on the number of vehicles parking and dropping off on the zigzag lines. Do some people think more of parking closer to school than their child's safety?

We were appalled that we recorded a total of 42 vehicles parking illegally and therefore putting children's lives at risk. Were you the driver of one of those 42 vehicles? On one morning, three drivers even did three point turns in front of the pedestrian crossing!

We are worried about our safety and that of our friends and peers. School Council members urge you

Bishop Loveday C of E Primary School

all to PLEASE think carefully about where you are parking and dropping off during the school run.

We do not want any accidents or casualties to happen outside Bishop Loveday School.

Remember, you are being watched!

Yours sincerely,

The School Council
