Thank You

FOBLS has thrived this academic year thanks to the help and support of parent volunteers, compilation of amazing fund-raising ideas, school endorsement and the commitment of core members.

The CST would personally like to acknowledge and thank those who have contributed any if not all of your time, monies, ideas and advocacy to each FOBLS event this year.

We are here for 1 united purpose and I cannot express the value you have held in ensuring your children, our children, benefit from the extra funding we can give them to make their time at Bishop Loveday more enriched.

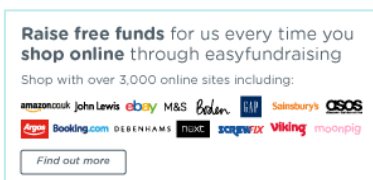

We have run a number of events during 2019/2020 which we hope you have enjoyed, albeit was unfortunate to see term 5 and 6 cancelled due to these unprecedented times.

This year we have focused on delivering a digital fundraising adoption to secure an ongoing income. Easyfundraising, Amazon smile and Cherwell lottery has driven our monetary contributions by hundreds of pounds and at no cost to those who support us. I would love to think that this is something that the PTA will continue into 2020/2021 as valuable fundraising tool, along with the core committee continuing to support fresh ideas and backing parent projects from start to finish.

We look forward to seeing the children back in school in their new year groups and wish all the best to another successful PTA year.

Love FOBLS team 2019/2020
