Joining Together – Learning For Life

For up-to-date advice on Coronavirus, please visit:

<https://www.gov.uk/coronavirus>

If you or your child develops any symptoms, you must get tested.

Please call 119 or visit the website

Lateral Flow Tests (LFT) are to be used if you are asymptomatic (no symptoms)
If you have symptoms, you MUST get a PCR (Polymerase Chain Reaction) test.

A reminder of the symptoms: High Temperature, Cough, Loss of Taste/Smell

If you are reporting your child as absent from school with a temperature, please
let us know what their temperature is

Friday 30th April 2021

Dear Parents and Carers,

We have had a very busy second week in school. The children are really getting into the swing of their school day, especially being able to take their learning outside due to the lovely sunny (albeit chilly) weather we've had.

Attached you will find a copy of the Primary School Health Team Newsletter for this term.

When booking clubs, please remember that we need a two-week notice period if you would like your child to attend either Breakfast Club, Homework Club or WAC. We are no longer able to accept 'ad hoc' sessions. A few parents have an outstanding balance for clubs, please have a look at your Parent Pay account. If you have any queries, please email lupton@bishop-loveday.oxon.sch.uk.

May we kindly remind you that the school outdoor play equipment is not to be used after school as these areas are timetabled to specific bubbles to ensure all our children stay safe.

In addition, we would like to remind you that children who arrive in school on their bikes must wear a helmet until they park their bikes up in the bike shed.

Please note the school will be closed on Monday 3rd May as it is a Bank Holiday, we hope you have a lovely long weekend.

Our Exciting Week of Learning:

Reverend Sarah has enjoyed talking to the children this week about their worship and R&E experiences at school as we continue to work within the Christian environment with our village church.

Year 2 have been observing their sunflowers germinating and have set up an experiment to see what seeds need to germinate.

Year 4 have been delighting us with the sounds of their drums during their weekly drumming lessons.

We finally look forward to welcoming Ade back next week and the children are super excited to start their tennis lessons again.

Clubs:

Thank you to everyone who is attending and supporting our after-school sports clubs. We have had some lovely feedback from parents and children - thank you. The lists for this term are now closed. We will be sending out new sign-up forms for the clubs in term 6 next week. Please keep a look out in your emails as there will be a cut-off date for completion and return of the form. Once again, we are restricted to 20 places per year group. Pupils who are not attending this term will get priority. If there are spaces available after new members have been allocated places, existing members will be offered a space providing they have returned their term 6 form. If we are oversubscribed, we will draw names out of a hat. Days and times of these clubs will remain the same. Registration details to follow shortly

FoBLS News:

Please help BLS raise even more valuable funds by using the following links:
