Joining Together – Learning For Life

For up-to-date advice on Coronavirus, please visit: <https://www.gov.uk/coronavirus>

If you or your child develops any symptoms, you must get a PCR test.

Please call 119 or visit the website

Lateral Flow Tests (LFT) are to be used if you are asymptomatic (no symptoms)

If you have symptoms, you MUST get a PCR (Polymerase Chain Reaction) test.

A reminder of the symptoms: High Temperature, Continuous Cough, Loss of Taste/Smell

If you are reporting your child as absent from school with a temperature, please let us know what their temperature is

Friday 14th May 2021

Dear Parents and Carers,

The children have enjoyed another very busy week of learning. It has been lovely to hear our Year 6 students practicing in the hall for their end of year production.

Safety of our children is paramount during the school day and also before and after. Outside play equipment must not be used after school by pupils or siblings as there is no supervision during this time. Cycle helmets must be worn to and from school and children must not ride their bikes or scooters on school grounds.

We have also had a request from Oxfordshire Fire & Rescue Service Road Safety team, asking all primary school parents / carers to provide feedback to improve the safety of child pedestrians. If you would like to take part please complete the online questionnaire.

<https://consultations.oxfordshire.gov.uk/Footsteps/consultationHome>

The survey will remain open until 30th July 2021.

Thank you from the Road Safety Team.

Reminder that next week is Walk to School Week 17-21 May 2021 and we encourage all our children and parents to participate in this campaign.

Clubs:

Today is the last day to sign up for after school sports clubs. Please complete the on-line form if you wish your child to participate. <https://forms.office.com/r/Y65ZukkfgG>

If your child currently attends and would like to continue next term, you will also need to complete and return the form. If numbers exceed our limits, we will pick names out randomly. We will let you know next week if your child has been successful.

Our Exciting Week of Learning:

Class 4SV had an exciting visit from the Royal Air Force today to present Matilda with her prize. Matilda is the proud winner of the 'Design a Mascot' competition for Kineton STEM. As part of her prize, some of the STEM team joined 4SV this morning to tell us all about the amazing work they do. The children thoroughly enjoyed hearing all about the projects STEM do in schools and their jobs in the RAF. They had a fantastic morning and can't wait to meet the STEM team again!
Huge congratulations to Matilda.

Awards:

I am delighted and proud to announce...

Lily A in 4SJ has pledged to walk 100 miles in May for Breast Cancer Now, and she has raised £706 so far! They only set a target of £100. She is doing so well, walking everyday – congratulates Lily... keep up the good work!

FoBLS News:

Don't miss the last cake sale of this academic year before Freeze Pop Friday commences.

Please also help BLS raise even more valuable funds by using the following links:
