Friday 18th June 2021

Dear Parents and Carers,

Following the Government announcement on Monday, please note that we will continue to teach in 'year group' bubbles and stagger finish times. Please see the letter emailed to all parents on 15th June for more details.

Our Year 6 children have missed out on so many 'rites of passage' this year and as it is their last year in primary school, Year 6 parents have been invited to the sports' day, in line with updated guidance that allows multiple groups of 30 people to watch outside school events. Mrs Gardner, who organises our sports' day, is organising for 3 groups of up to 30 (to allow for year 6 pre-school siblings to also attend with their parents) to be spread out along the track. Unfortunately, we are unable to invite any other year groups to attend, but feel confident that these parents will get another opportunity next year.

Please find attached the Primary School Health Team Newsletter for Term 6 June 2021. This newsletter aims to provide families and young people with some useful tips for keeping healthy.

If your child needs picking up from school by someone else, please inform their teacher in the morning by writing it in their planner.

Lost & Found: A set of keys has been handed in, with a Peugeot car key. If you have lost one please call the school office on 263157.

Our Exciting Week of Learning:

Early Years have been busy visiting Nurseries to meet the new children who will be starting in September. We look forward to welcoming them.

Year 2 have taken delivery of caterpillars, which will become butterflies and teach us about lifecycles. We've also been exploring the school grounds using aerial photographs.

Year 4 have enjoyed learning about electricity in Science. They have explored how electricity is made and have sorted different appliances in 'mains', 'battery' or 'both' categories. The children have also enjoyed practicing a variety of cricket skills in the sunshine and working in teams playing mini games.

Year 5 have been learning about Victorian crime and punishment and the gruesome torture they were subjected to.

All Years The book fair will be in school from the 30th June and parents will be able to order books online. The order form will be shared in next week's newsletter.

PENTATHLON EVENT

Years 1-6 have been busy practicing for a virtual inter school Pentathlon athletics event.

Year 6 will be taking part on Thursday 24th June / **Years 1-5** will be taking part on Monday 28th June.

All children will not only be representing Bishop Loveday, but also their House. The event will be outside and they will be working in their year group bubbles.

The event will be held at school, we will be submitting results to NOSSP for them to collate and compile results across lots of other local schools. We will also collate results for an inter House competition.

Please ensure your child comes to school in their PE kits & trainers with their House T-shirt replacing their normal PE T-shirt on the appropriate day.

As it is sometime since we have held a House event, here is a reminder of the House colours for their T-shirts. They will also need these for Sports Day and any future House events. Any T-shirt of the correct colour is fine, you do not need to purchase new ones.

Waterfalls – Purple
Sun – Yellow

Fire – Red
Forests- Green

Oceans – Blue
Ice - White
