Dear Parents and Carers,

It has been lovely to see lots of continuing hard work around the school this week; year 6 have done some fabulous writing and year 1 have tried out their rhythms and early mark making in music using drums. It has also been lovely to see drumming for year 4 continue and lots of exciting DT projects begin across the year groups.

I hope the children enjoyed the cross country run today, well done to all those who took part.

When walking or driving your children to school, please talk to your children about road safety and to remain vigilant around the zebra crossings and new road layouts.

Monday 4th October - Don't forget we have the bike tour on Monday, which might affect your journeys to and from school. Please see the end of the Newsletter for a reminder of road closures and the route the bike race will be taking. Please bear in mind that your journey might take a little longer.

The Warriner MAT currently have a Teaching Assistant vacancy, plus other vacancies: please check out their website and spread the word to family and friends www.thewarrinerschool.co.uk/vacancies/.

Thank you for your continuing support.

Kind regards,

Mrs Dee Loader
Head of School

Parents Evening:

Our exciting week of learning:

Year 2 took part in a live lesson with the NFU yesterday and learned about where their food comes from. They went on a quest to find different coloured crops to make a rainbow salad.

Year 4 have been enjoying learning about sound in science. Particularly focusing on pitch and how this changes using different instruments. We have also tuned into the LIVE STEM Science lesson, where the children learnt about farmers harvesting the different ingredients to make pizza get to our table!

Year 5 have enjoyed looking at a 2,500 year old bead necklace from the tombs of Abydos and have been writing balanced arguments about where historical artefacts should be kept.

5DC learnt to line dance and are practising singing in sign language.
