Joining Together – Learning For Life

For up-to-date advice on Coronavirus, please visit: <https://www.gov.uk/coronavirus>

All children must attend school unless they have any symptoms, even if they have been in close contact with a positive case.

If your child develops symptoms they must get a PCR test

<https://www.nhs.uk/ask-for-a-coronavirus-test>

If this test comes back positive they need to self-isolate.

Friday 8th October 2021

Dear Parents and Carers,

What another fantastic week - Autumn is definitely here and I've seen/heard lots of lovely singing ready for our Harvest Festivals on Wednesday 20th October.

We have been made aware that some of our children in KS2 have been messing about in the tree area by the main gate before coming into school. This includes very inappropriate language being used. We as a school take this very seriously but it needs us to work in partnership with you all to ensure that children understand that if they are walking to school by themselves, they should be coming straight on to the school site as soon as the gates are open. We will also be changing where we stand in the mornings to monitor this situation.

Just to inform you Mrs Warner (6HW), Miss Morrell (3JM), Miss Clarke (5DC) and Mrs Wood (1SW) will be working at Southfield school next week to continue working on our new exciting curriculum. All teachers can still be contacted by email. Next week in 6HW Mr Whitehead, in 5DC Mrs Sharman Moss, in 3JM Mrs Pam Wilson (our previous assistant head from 4 years ago) and in 1SW Mrs Shadbolt will be teaching.

It has been brought to my attention that a lot of children are going on You Tube and playing games that are not always age appropriate. Each week I would like to use the newsletter to inform parents of the games that we feel as a school are not appropriate, for you to then monitor at home. Please do talk to your children about being safe online.

Gatcha Life: This game although aimed at 9-year-olds and seems quite appropriate on initial glance, does have video content which could be seen as quite disturbing for primary aged children.

Thank you for your continuing support.
Have a great weekend

Kind regards,

Mrs Dee Loader
Head of School

Photos:

Nathan Allan will be in school on Tuesday to take individual and sibling photographs of your child. Please make sure they are in full school uniform (with logo if possible). We will do our best to keep the smaller children clean and tidy until they have their photo sessions.

Our exciting week of learning:

Year 5 have had a great time planning Egyptian holidays in Maths and writing newspapers about Howard Carter in Literacy.

Year 4 have started to make their own djembe drum in our DT lessons. We are using skills in designing and making, as well as linking it to our learning about sound. We are very impressed with the creativity and enthusiasm of all the Year 4 children and are looking forward to an ensemble performance on our drums!

School Clubs:

Netball – Years 4,5,6 Please note that Netball has moved to Wednesdays – there are still spaces available, please register on-line: <https://forms.office.com/r/cG1CGATstQ>

Choir – Years 4,5,6 we still have places available if you would still like to register, please register on-line: <https://forms.office.com/r/fMt3WJfZAU>

Sports:

Our **Sports Leaders** for this year had their first event last week - our intra **school Cross Country competition**.

They took to their new role brilliantly - leading warm ups, marshalling the course, leading our KS1 pupils and running with the less confident children.

Well done - it's going to be great having you to work with this year.

It was fabulous to be able to hold our first Intra School Cross Country event for over 2 years. The sun shone for our KS2 runners, as they competed with determination and encouragement for others. The KS1 pupils had traditional cross country weather to contend with as the rain came down later in the morning. However, this didn't dampen their enthusiasm. Congratulations to all runners and thank you to our Sports Leaders who did a brilliant job helping the event run smoothly.

School Cross Country - Please see below for the top 10 finishers in each of our Intra School Cross Country races.

The runners in Key Stage 2 will represent Bishop Loveday in the upcoming Inter school competition late this month.
