

BISHOP LOVEDAY CHURCH OF ENGLAND SCHOOL

NEWSLETTER T3-5 21-22

Be kind, be honest and have courage to live 'life in all its fullness' (John 10:10)

For up-to-date advice on Coronavirus, please visit: <https://www.gov.uk/coronavirus>

All children must attend school unless they test positive on a Lateral Flow or if they have any symptoms, even if they have been in close contact with a positive case.

Friday 4th February 2022

Dear Parents and Carers,

I've had so many children this week, as I've been walking around the school, coming to me to show me their amazing work, their kindness stickers and their gold stars. It's been so lovely to see! There is a lot of information in the newsletter this week:

Wrap Around Care

We have decided to rename homework club and make it part of 'WACKY' club. This means there will be two pick up times: 4:30pm and 6:00pm. You can book in the same way and if you would like your child to complete homework if they are in WAC, please do let a member of WAC know.

Illegal parking

It is illegal to stop on the white zigzag lines outside of school. The council are now issuing fines and it is unsafe for the children who are getting out of the car roadside.

Queen's Jubilee

Due to the Queen's Jubilee falling in half term, we have been allowed to allocate an extra day's holiday. This will be on **Friday 27th May so the school will be closed on this day.**

Maths

Our maths whole school long term plan is based on White Rose Maths and today I would like to share with you a Maths app from White Rose for children up to the age of 7 called 1-minute maths. Using this App should help reinforce some easy number concepts for our children. Please click the link for more information [1-Minute Maths App](#) | [White Rose Maths](#)

In June, children in year 4 will be taking part in a multiplication tables check. Using Times Table Rock Stars helps children with rapid recall of these tables, so we recommend that children in year 3 and year 4 have daily practice using the Sound Check part of the App, as this mirrors the check they will be taking in Year 4. More information about the check can be found here:

Safer Internet Day:

On **Tuesday 8th February** we will be joining schools and youth organisations across the UK in celebrating **Safer Internet Day 2022**. Please see attached letter for further details.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in Bishop Loveday School, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. Some of the activities we'll be participating in on the day include:

We would be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this, you may be interested in downloading the free Safer Internet Day Resources for Parents and Carers which is available at: saferinternet.org.uk/sid-parents.

Our exciting week of learning:

Year 6 have been practising their woodwork skills this week in preparation for their Anderson Shelters in DT. We were so impressed with their teamwork and perseverance skills and look forward to sharing the final products with you next week.

Year 2 learned about odd and even numbers this week. They had lots of fun going on a number hunt outside and sorting the numbers into odd and even buckets.'

Year 5 have been busy dissolving everyday solids this week.

Early Years have celebrated Chinese New Year , we read the story of The Race which explains how the years are named . This year being the year of the tiger. We made Chinese lanterns and dancing dragons. We tried some Chinese food and during PE we worked together to become a dragon and danced to the music.

YOU HAVE WORKED SO HARD YOU ARE AMAZING!

Birmingham 2022 Commonwealth Games

There are now less than 25 weeks until the start of Birmingham 2022 Commonwealth Games.

What a great multi-sport event to have so close to us. We hope some of you will be experiencing the events first-hand, but for those who would like to get involved at home we will be sharing some challenges linked to the Commonwealth Games between now and the start of the Games. Thanks to our colleagues at NOSSP who have designed them and shared them with all schools across North Oxfordshire.

We will be taking part at school too, but to start you off, take a look at the attached Family Challenge. Don't forget, NOSSP are asking you to tag them in on Facebook and Twitter. You can also tag BLS on Twitter using @Bishoploveday1.

Can't wait to see all those photos on Twitter.😊

Good luck.

DISTRICT COUNCIL
NORTH OXFORDSHIRE

This years February hubs will be running across three venues:

Leisure Centre

Bicester

North Oxfordshire Academy,

Banbury

Leisure Centre

Kidlington

There will be food provided..

..for children eligible for free school meals.

*If those not eligible would like food this will be an extra £5 per day. A week's notice will be required and dietary requirements will also need to be provided.

Multi skills. These activities are based around the fundamentals of movement and play, agility, balance, coordination and speed. Activities are fun, working on the fundamentals and how to progress them to improve.

Fun and games. These activities are all about engaging the children and encouraging them to participate. Clap catch, parachute games, splat and more are used as introduction games.

Team games. These are normally played in the afternoon after skills have been developed throughout the day. Obstacle relays will be played along with team games such as rounders, kwik cricket, and many more.

Arts and crafts. These will run in the afternoon to cool down and cater for young people who enjoy arts and crafts.

Sessions are split into two age groups 5 to 7 and 8 to 11. Lunch breaks are supervised. Bring your own lunch. Please note we do not accept any form of childcare vouchers. Refunds will only be given if sessions are cancelled due to unforeseen circumstances. All information is correct at the time of print and is subject to change without prior notice.

Mental Health Awareness for Oxfordshire Parents and Carers

We currently have some spaces left on our Mental Health Awareness workshop for parents and carers. The session is on the 1st March 2022 and I will share the link below. Please do feel free to share this in your newsletter for parents and carers to sign up. The session is delivered in the evening online and is free for all Oxfordshire residents - they will just need to enter the first part of their postcode in the part that says 'Enter PROMO code' to ensure they don't get charged.

Family CHALLENGE

There are 50 letters & numbers in *Birmingham 2022 Commonwealth Games 28th July to 8th August*

Can you tick them all off by taking a walk around your local neighbourhood or village? You might see the letters on street names, or the numbers on car registration plates.

You can only use a letter/number once - so you will need to find 5 different M's & 4 different 2's!

Can you track your journey - how many steps, meters or minutes did it take you to complete the challenge?

If you are a large family maybe you could split in to two groups and go in different directions to see who completes the challenge first?

For an extra challenge why not see if you can tick the letters and numbers off in order. So first you have to find a *B*, then an *I*, then an *R*etc.

We'd love to hear about your challenge experience - please @ us on Facebook or Twitter @NorthOxonSSP
