Friday 4th March 2022

Dear Parents and Carers,

It's been so lovely returning after half term, the children have been so engaged and I continually love hearing about their learning as I visit the classes. Year 5 have been on their first trip in a while today, to the Black Country Museum. As I waved them off this morning the children seemed very excited, and I look forward to hearing how it went on their return. Year 2 walked down to church today and children came back buzzing with what they had learnt so thank you Reverend Sarah and all who helped make this trip happen.

We are still looking for companies or individuals who might have anything that could be donated to our raffle. Our kindness ambassadors are raising money to build a kindness area on the edge of the playground. I have kindly had one of our parents, who is a builder, step forward to help us with the paved area but if anybody else could support, the children are so excited about developing this area.

We had such a successful World Book Day yesterday and it was amazing to see how many different adjectives we had across the school. We are continuing to promote a love of reading and it still remains at the heart of our curriculum so was a very special day enjoyed by all.

We have been approached by the mental health charity, Place2Be, who have had an anonymous donor to pay for one of their support team to work with 5 primary schools. From next week, we will have a support worker working once a week for the next two years supporting our children. More information about this charity can be found here: <https://www.place2be.org.uk/> or please find attached flyers with more details.

Have a fantastic weekend

Kind regards,

Mrs Dee Loader

Year 2 have been exploring 2D and 3D shapes. We have learned lots of new vocabulary to describe the properties of the shapes and went on a shape hunt around the classroom. We have also been learning about historical explorers who ventured into the Amazon Rainforest.'

Year 3 have been creating amazing Stanza's (poetry) about "I am a Roman Soldier".

Year 4 have had a fun-filled week packed with learning! We were excited to discover what had happened to our mummified tomatoes that we left over the break. We did this during our Ancient Egyptian day and couldn't wait to see the results. They look like they are drying out nicely!

Year 5 have stepped back in time to experience working life in a Victorian Village, won the Athletics event...BOOM! and they are off on an exciting trip to the Black Country Museum today.

Year 6 started a new fast text this week the Nowhere Emporium which is an exciting adventure story and had some amazingly talented World Book Day costumes including The 'Mad' Hatter, an 'Alien' and 'Hidden'.
