Friday 1<sup>st</sup> April 2022

Dear Parents and Carers,

What a penultimate week of term! The children have worked incredibly hard and have enjoyed a variety of activities this week.

It has been lovely to see a group of Year 5's and 6's using their enterprise skills to raise money for the crisis that is happening in Ukraine. They have already raised an incredible amount of money and continued to raise more by holding a bake sale after school today. We will announce the total amount in next week's Newsletter. Thank you for all your donations and thank you to the Year 5's and 6's for all your hard work.

Today we interviewed for a new teacher and we will let you know who we have successfully appointed as soon as possible. The standard was so high and we are excited about the opportunity that this brings to Bishop Loveday School.

Please don't forget we have our Easter Services next week to end the term. Please see important dates below.

Have a great weekend.

Kind regards,

Mrs Dee Loader

## Our exciting week of learning:

**Early Years** we have been learning about the Easter Story and we talked about why we celebrate Easter and how it links to chocolate and new life. We have also been practising our songs for the Easter Assembly on Wednesday 6<sup>th</sup> April in the School Hall @ 2pm.

In PE we have been doing activities to help us ride a bike.

**Year 1** have been looking at how to write instructions, linking their writing to their Science and planting a seed. Some of the children also went to the Warriner Farm for their lambing afternoon and were lucky enough to see a lamb being born.

**Year 2** have been examining the artwork of Raku Inoue this term. We have explored the outdoor area to find natural materials that could be used to create images of insects. We learned what the parts of an insect's body are called and then found natural objects that were a similar shape or pattern. We also learned how to use sketching pencils to sketch varieties of minibeasts.

**Year 3** have been reflecting on their big question in RE - Does Easter make sense without Passover?

**Year 4** have enjoyed a variety of activities this week. Some of the children visited BGN and took part in different cricket skills which focussed on batting, fielding, and bowling. The other half of the cohort enjoyed learning a South African gum boot dance, with Mrs Harris the drumming teacher. All of the children have been learning how to tie an Alpine Butterfly knot in DT, in preparation for making their shaduf in the final week of term.

**Year 5** have been learning how to look after and play the scales on Handbells and also getting ready to write their own monologue based on the book The Boy at the Back of the Class.

**Year 6** have had a visit from Edd Frost to talk about the role of a funeral director as part of our resurrection topic and also planning to write a speech to the nation.

## Sports:

**Year 4** Cricket in the snow - what fun!!

Well after all the beautiful weather last week, cricket seemed such a good idea. What a difference at BGN yesterday - we were taking part in cricket activities in the snow.

24 year 4 pupils were joined by children from Hardwick, Orchard Fields and St John's schools at the new Dynamos cricket festival.

Activities focussed on the skills required in a game of cricket and were led by coaches from Chance To Shine programme and year 8 pupils from BGN.

All children had a lovely morning, despite the weather. We practised bowling, batting and throwing & catching skills, and rounded off the morning with games of Quick Fire Cricket. The Schools Games value was determination - there was certainly plenty of that on show - congratulations to **Sonny C** & **Zarah W** who received certificates for demonstrating exceptional determination.

The event has prepared us for more cricket in the summer term - can't wait for the warmer weather!

Please follow the link to show community clubs offering All Stars cricket for 5-8 year olds and Dynamos Cricket for 8-11 year olds.

## Bishop Loveday Spanish Club

- Register now for the summer term!
- Fridays, from 3.20 to 4.20 in the school
- Registration is for Terms 5 and 6 (up to the summer holidays)
- Open to children in Years 3-6
- £5 per session (total £50 for 10 weeks, payable in advance)

### About the Club

The idea of Spanish Club is to get children interested in the language and to get them using it as much as possible as soon as possible. For this to happen, the club needs to be fun and engaging. All children are welcome, and it doesn't matter if they haven't learned any Spanish before. This term, we will be creating, producing and performing our own piece of theatre... in Spanish!

### About the Teacher

I am a qualified and experienced language teacher, primary class teacher, translator and interpreter. I currently teach French and Spanish at primary schools in the area, I offer private Spanish and French tuition and I also run extra-curricular Spanish and French clubs to primary and secondary pupils. I am delighted to have the opportunity to run a Spanish Club at Bishop Loveday for a fifth year. For more information about what I do, please visit: [www.carrickcameronlanguages.com](http://www.carrickcameronlanguages.com).

### Interested?

Please get in touch at [carrickcameronlanguages@gmail.com](mailto:carrickcameronlanguages@gmail.com) if you would like any further information and I would be happy to send you a registration form. This can also be found on my website. Please note that the club can only run with a minimum of 8 children (up to a maximum of 20). Priority will be given to children continuing from this term.

# KIDS IN THE WILD

## IS YOUR CHILD 9-11 YEARS OLD?

**DO YOU WANT YOUR CHILD TO HAVE THE ULTIMATE SUMMERTIME ADVENTURE?**

**ARE YOU FED UP WITH SEEING THEM INSIDE ON SCREENS?**

**DO YOU THINK THEY WOULD BENEFIT FROM TIME SPENT IN THE WILDERNESS?**

Channel 4 and the producers of *Junior Bake Off* are making a brand-new series and are looking for children aged 9-11 to spend two weeks camping in nature this summer.

By encouraging independence outdoors, we will explore the relationships and skills children develop when put to the test.
