Friday 8th April 2022

Dear Parents and Carers,

What a lovely way to finish Term 4 with the Easter Services at Bodicote Church. The children sang beautifully and a huge thank you to Rev Sarah and Rev Nick for organising such a lovely service today.

Sports Day will be on Friday 8th July, with a reserve date of 15th July.

KS2 will be in the morning and KS1 and EYFS in the afternoon with a whole school picnic with parents invited to stay at lunchtime.

We were really excited to have had the opportunity for the Francis Hammond Theatre School to come in this week and work with the children. They are offering Theatre clubs to **Years 3–6** at Bishop Loveday! Please take a look at the attached flyer for more details or on their website:

www.francishammondtheatreschools.co.uk

We have an enormous pile of un-named lost property, over the Easter break please can we ask you to name all your children's school clothes so that they can be returned to their owner.

Reminder that today is the last day of term, we hope you all have a wonderful Easter Break and look forward to seeing you on Monday 25th April when **Year 3** will be off to their Trip to the Chedworth Roman Villa.

Thank you for your continuing support.

Kind regards,

Mrs Dee Loader

Our exciting week of learning:

Early Years children have enjoyed tasting hot cross buns, making Easter treats, singing to their parents while wearing their Easter hats and taking part in a family treasure hunt.

Year 1 have made their sock puppets and had a lovely time doing so. They have worked so hard.

Year 2 This week it has all been about fractions in year 2! We shared ladybirds equally into halves, quarters and thirds and found fractions of different numbers. We learned about unit and non-unit fractions and had fun making pizzas in the Pizzeria.

Year 3 have been writing diary entries about a boy called Perilus and one of his many adventures! We have also been going fraction crazy in maths.

Year 4 This week, as part of our Egyptian topic, the Year 4 children have designed, made and evaluated a shaduf. A shaduf was a hand operated device for lifting water out of the River Nile during Ancient Egyptian times. Some of the children even tested their design to see if they could lift water out of a bowl. The children used a pivot and lever mechanism and have thoroughly enjoyed this part of the topic.

Year 5 have been busy making their fairground rides in DT this week.

Year 6 have been writing powerful speeches and finding out about their residential in Simonsbath.

Afterschool clubs have made chocolate Easter nests this week – they enjoyed making and eating them ☺
