Dear Parents and Carers,

For such a short term, we've achieved so much and the children have been so busy!! This week it was year 4's turn to go on residential to Hill End for the night on Monday. They had such a fantastic time - a huge thank you to Miss J, Mrs Vidovic, Mrs Cullup, Mrs Becker, Miss Butunoi and Mrs Bignell. Everybody came back exhausted but happy. Year 2 finished the last of their booklets at the beginning of the week - they have all worked so hard and lots of reports back that they love booklets!

We've ended the term with a celebration for the Queen's jubilee. The children love house events where they can mix as a whole school and the added bonus of cake and biscuits has been a lovely addition! Thank you so much to all who donated cakes/biscuits.

Save the date – it is the Bodicote Church School Fete at Bishop Loveday School on Friday 1st July - 5pm-8pm FREE ADMISSION.

We have some lovely news that Katie Becker, our teacher in year 1 is having a baby in November. Huge congratulations to her and Mr Becker from everybody at BLS.

Have a wonderful half term and we look forward to seeing you all on Tuesday 7th June.

Have a restful weekend.

Kind regards,

Mrs Dee Loader
Head of School

Our exciting week of learning:

Early Years have had lots of fun Celebrating the Queens Jubilee. We have made crowns, split pin Soldiers and windmills, and played in the Buckingham Palace Role-play area. The children have baked biscuits and made jam sandwiches that they ate at our Jubilee party.

Year 1 have been enjoying learning how to do coding and algorithms on the computers. As well as investigating and testing to see which materials are waterproof and will keep Teddy driest in the rain. Also, completing portraits of the queen in time for the Jubilee.

Year 2 have been measuring in maths, writing instructions in literacy and started building their moving vehicles in DT.

Year 3 produced some amazing writing this week about a day in the life of an Anglo Saxon child.

Year 4 had a fantastic time on residential at Hill End. They worked in teams to make dens which were tested with water. They went foraging in the forest to identify safe and unsafe things to eat. The children enjoyed a scavenger hunt and found slow worms. They also learnt how to survive in the woods by making a fire using a flint and cotton wool. In the evening, they enjoyed making journey sticks whilst on a hike and returned to s'mores around the campfire. HUGE THANKYOU to all the staff who accommodated the trip by giving up their time and making it possible for the children to go!

Year 5 have been finishing off writing their myths and learning about amazing life cycles of animals in science.

Year 6 have been rehearsing for their leaver's performance 'What a Knight'.
