

Sponsored NO TECH Challenge!

Can **YOU** help us? The Bishop Loveday Kindness Ambassadors would love your help in raising money for wonderful resources to be used during lunchtimes. We would like to spread our kindness and provide the children with extra play equipment (e.g. giant Jenga, giant snakes and ladders, board games, loom bands and lots more!).

Can you spread your own kindness and challenge yourself (and your families) to take part in our sponsored 'TECH FREE Challenge' for your chosen amount of time, starting on Friday 24th June? This could be 1 day, 2 days, 3 days or maybe even 10!

Ask your friends and family to kindly sponsor you if they can.
