NEWSLETTER T1-2 22-23

Be kind, be honest and have courage to live 'life in all its fullness' (John 10:10)

For up-to-date advice on Coronavirus, please visit:

Health protection in education and childcare settings - GOV.UK (www.gov.uk)

The guidance for schools is that if your child tests positive for COVID they are to stay away from the school for 3 days. They can return after 3 days if they are well enough and they do not have a temperature.

Friday 16th September 2022

Dear Parents and Carers,

As I've been walking around the school, I've been so impressed with how hard everybody has been working. I know we're all feeling very tired because of it! The children have been so focused and enthusiastic to learn. We have had lots of children begin to use our new iPads, which has made a huge difference to our Computing curriculum. It's been so lovely to see so many parents attend our 'meet the teacher' meetings this week. If you were unable to attend, all information has been uploaded to your child's year group teams page.

Our Year 6 children have been doing their bikeability this week and organisers have been so positive about their kindness, behaviour and listening skills. Well done year 6!

After the success of the Bhangra dancing during our house event last week, I have decided to run a breaktime Bhangra dance club for children in the hall. I will remind children in assembly, but this will be every Tuesday breaktime. I hope you have all seen the sign-up form for our clubs happening after school. There is still time to sign up for our external clubs too.

The children have been involved in the writing process of the book 'The Lost Wish' and I know that lots of children entered the elf competition last year. The book has now been published and is available to download for free for the next couple of days. The link is here: https://www.amazon.co.uk/Lost-Wish-Claire-Anderson-ebook/dp/B0BDMYDT6H?ref=d6k_applink_bb_dls&dpInkId=599d4c02-3617-4532-9a8a-fc9724e7a7de If you do have a kindle, you can still download by getting app on your phone or iPad.

Reporting absence: If your child is going to be absent for whatever reason, please telephone the school by 9am (01295 263157) and leave a message on our automated answering service or use the Absent link on our website: [Report Absence - Bishop Loveday CofE Primary \(\[bishop-loveday.oxon.sch.uk\]\(http://bishop-loveday.oxon.sch.uk\)\)](#) Failure to inform the school office, will trigger a text message to be sent, and any unauthorised absence will show on your child's report.

Years 1-6 Harvest Service will be at Bodicote church on Wednesday 19th October. The times are as follows: Year 1 / 2 10.15-10.45, Year 3/ 4 11- 11.30, Year 5/ 6 1.30-2.

EYs Harvest Service is Thursday 20th October at 2.15 in the school hall.

Don't forget we are closed on Monday and we look forward to seeing you all on Tuesday morning.

Have lovely weekend

Kind regards, Mrs Dee Loader, **Head of School, Bishop-Loveday CE Primary School**

Our exciting week of learning:

Early Years have had a fantastic first session of forest school today investigating the great outdoors and we have also been mixing up our animal groups and getting to know our other friends.

Year 1 have been learning how to write instructions. We started off by making yummy jam sandwiches and thought about which adverbs of time and bossy verbs we could use for each instruction. In science we have thoroughly enjoyed looking at the trees in the school grounds. We looked at their size and leaves. We asked and answered questions about these wonders of nature! Perhaps you could look out for different types of trees when you are out and about?

Year 2 have been learning how to write instructions. We started off by making yummy jam sandwiches and thought about which adverbs of time and bossy verbs we could use for each instruction.

Year 3 have been working on description and dialogue. The children have generated some amazing adjectives for their descriptive writing which we will begin next week. The children all seem very enthusiastic and happy to be working with their new teachers and TAs.

Year 4 in History have been learning about a local study and really enjoying the Battle of Edge Hill.

Year 5 have been learning about forces in Science and measured objects using a Newton meter. In DT they have been learning about Archimedes, a Greek mathematician, and the importance of maths in engineering and science.

Year 6 have had Bikeability sessions this week. They have enjoyed learning about road safety and applying this in real life situations. The Bikeability Team also commended our children on their behaviour and listening - well done year 6!

Chenderit School

Chenderit School is a popular, oversubscribed 11-18 comprehensive school with a strong reputation for success.

PROSPECTIVE YEAR 7 PARENTS' EVENING

Thursday 29th September 2022, 7.00PM

We offer a history of excellent academic performance across the school and

- Exceptional pastoral support, including a successful Y6-Y7 transition programme
- A strong focus on "enjoy and achieve"
- A caring and nurturing environment where every child is valued
- A wide selection of extra-curricular opportunities

Students' academic success is amongst the very best in the area. GCSE attainment in English, maths, the sciences, the humanities and numerous optional subjects is particularly strong. At A level, students typically exceed their challenging targets and are able to progress to the top universities in this country and beyond.

Applications from students outside the school's catchment area are welcome
