

BISHOP LOVEDAY CHURCH OF ENGLAND SCHOOL

NEWSLETTER T5-3 22-23

Be kind, be honest and have courage to live 'life in all its fullness' (John 10:10)

Friday 5th May 2023

Dear Parents and Carers,

We had a lovely lunch yesterday to celebrate the King's Coronation - a huge thank you to our kitchen staff and to FOBLs who provided ice pops for everybody.

We wanted to wish all of our year 6s the best of luck in their SATs next week. They have all worked so incredibly hard, and we are so proud of them. Please make sure they have a lovely weekend (not revising) and we will see you all (children) at 8:15am at the community door for bacon sandwiches!

We have a date for our school and church fete - Friday 30th June. We hope to see as many of you as possible for another fun evening.

Have a lovely long weekend everyone - see you all on Tuesday

Kind regards,

Mrs Dee Loader
Head of School
Bishop-Loveday CE Primary School

Our exciting week of learning:

Early Years have been finding about our new King, King Charles III and the Coronation. On Thursday all the children came to school dressed as Kings and Queens.

Year 1 have been learning about breathing in and out and pretending to be lungs as parts of their fitness in Indoor PE. They have also read Goldilocks and Just the One Bear as an alternative to Goldilocks and the Three Bears and compared the two stories.

Year 2 have been learning about fractions. They explored splitting groups of objects into equal groups and found halves, quarters and thirds of an amount. On Purple Mash, we began designing the net for our 3D car which will cover the chassis on the model we are making. The children chose a variety of tools and colours which they wanted to use on their model car. In science, we had a closer look at the tadpoles and observed how they had changed over the past couple of weeks. We are hoping some will sprout some legs soon!

Year 3 have had a fabulous week this week. We have had the most amazing and engaging experience at The Ashmolean Museum where we have discovered and learned so much more about The Anglo Saxon period of History and Anglo Saxon life. The children were a credit to Bishop Loveday. We have also enjoyed Science learning where we have learned scientific names for bones in the human skeleton, and RE where we have explored Hinduism in more depth.

Year 4 have been working hard to finish writing up their narrative piece based on Danny MacAskill's incredible mountain biking stunt on The Ridge in the Isle of Skye. We can't wait to see the final drafts!

Year 5 have had an excellent week participating in Bikeability. The instructors have been really impressed with their focus, enthusiasm and questions to further support their understanding in road safety. In literacy, they have started to write their Maya folktales (inspired from The Rain Player) and we're really looking forward to reading their final story.

Year 6 have been working so hard in preparation for their SATS next week - we are so proud of all of them! They have also enjoyed cricket and tennis in PE, as well as created their first still life art drawings of fruit. This will develop over the coming week into a fabulous, finished piece of still life artwork worth of display!

Afterschool have been creative over the last week decorating the school hall in preparation to celebrate the Kings Coronation. We have also made crown biscuits and decorated cupcakes.

Sports & Club News:

Some of our year 2 children had a lovely morning at the **NOSSP All Stars Cricket Festival**.

We took part in lots of activities that focused on the cricket skills: throwing, aiming, batting, bowling & running. Lots of other local schools attended too and it was led by BGN Sports Leaders with the support of Zoe Pugh from Oxfordshire Cricket Board.

Thank you to Rory Mawn from NOSSP for organising the event.

FoBLS:

Rags2Riches4Schools: bags will be coming home today, please fill them with good quality clothing and bring them back to school on the 11th of May by 9 o'clock. Unfortunately we do not have the space to store them before hand.

Wanted: if you have any board games and puzzles that you would like to donate to school for wet play time, please bring them to the office. Thank you!

to be part of the Grants Funding Team:

As many are aware the funding of schools has been making news headlines. In order to develop the outdoor areas of the school to provide further enrichment opportunities for the children, we're launching a grants funding team.

We really need the support and skills of parents and carers in our community to have the best possible chance of securing grant funding which is often hugely oversubscribed. We've outlined below some of the skills we'd like supporting us, it hopefully won't be a huge commitment - any time you can give would be welcomed.

- Project Manager / Construction experience - can you help scope the project and budget?
- Graphic Design / 3D Visualiser - is there anyone in the community that can help develop a 3D render?
- Accountant - can you help with the budget and tracking costs?
- Legal experience - to support on contracts.
- PR experience - to help launch the programme and hopefully gain some press interest.

Any other experience and volunteers are also hugely welcome. For anyone that can support please email fobls@outlook.com. You're also welcome to have an informal chat if that would help, just drop us an email with your contact details.

Thank you.

The Warriner School
Responsible - Respectful – Ready

Executive Headteacher: Dr Annabel Kay
Head of School: Mrs Sharon Nicholls

THE WARRINER SCHOOL
OPEN EVENING THURSDAY 11th May 2023
from 5pm – 7pm

For prospective parents and Year 5 pupils for September 2024 entry into Year 7

This is the time when you will be seeking as much information as possible to help you make an informed decision about your child's education. We are proud of our school and want to give you an opportunity to come and see it and ask us questions.

There will be a presentation from Mrs Nicholls at 5pm, which will be repeated 5:45. You will also have the opportunity to visit all of the departments across the school.

We look forward to seeing you!

If you live locally and can walk to us or are in a position to car share with other families attending if you live further afield, please do so as parking will be very tight due to the high numbers expected.

*Note: This evening **will not** be repeated in September.*
