

## **School Name Label Pack**

Sew Sublime and FoBLS have teamed up to help with the ever increasing number of lost property items in school. Bishop Loveday would appreciate it if all children's items could be labelled individually, which will help us to ensure that lost items are returned to the correct child as soon as possible.

Mixed packs can be ordered using the form below and returning to the school office with cash payment. (If ordering for more than one child please add an additional piece of paper with additional names and the number of packs required).
